Making Your Case

Original File Jonathan M. Noone 10-14-15.txt individual selling drugs out of that location. We set up surveillance on it. At some point he was able to identify the vehicle, the make of the vehicle that was involved, and a physical description of the suspect.

Q. And that's information he had received from [redacted]

A. Yes.

Q. Okay. What happened then?

A. At some point we set up surveillance. The individual that went to that vehicle --

Q. Did you see that?

A. Yes, I did.

Q. Okay. You saw that man walking towards the vehicle?

A. Yes.

Q. Okay. What happened then?

A. At that point the male went to the vehicle that was identified as the Scion that was parked in front of the bar. I observed the individual walk to the driver's door. Open the door. Entered the vehicle and appeared to start the vehicle. The headlights came on towards me.

Q. Okay. And what happened then?

A. The male then walked from the driver's door to the rear of the vehicle and had some conversation with individuals that were on the outside of the bar. There was a smoking area there right by the front entrance. And they appeared to engage in some conversation.

Q. Okay. What happened then?

A. Then the male went into the driver's seat. And shortly afterwards, several people from that smoking area went into the car and they drove away.

Q. Who were the people in the smoking area?

A. I don't know the names. There were a couple females.

Q. When you say a couple, were there two?

A. I don't know. There were two or three.

Q. Okay. Can you describe them?

A. No.

Q. Were they outside at the smoking area before you saw the man walk out?

A. The first time I saw them was in the smoking area.

Q. Okay. And was that before or after the man walked out?
